St. Valentine for Fifty Years.

—Miss Eliza Smith of Beavon, Sussex

county, N. J., is the owner of a stove

which has been in continual use since her

marriage, forty-eight years ago. This is

certainly a record breaker and justifies

the statement made by all who know

the fact of the stove's long use: "They

don't make such stoves nowadays."

EARNED, NOT BOUGHT.

Starting Power Costs in a Long Term

Race.

Middletown people need not be told

how hard it is to earn and maintain a

good reputation, and how easy it is to

lose one. After such a loss it is well

impossible to recover the ground, and

the majority who have slipped by the

wayside have been forced to stay there. As

with a man's reputation so it is with

medical preparations. Some acquire a

reputation which stays with them

It is founded on intrinsic merit and not

sustained by elaborate advertising. It

faces the public backed by honesty and

works its way quietly but thoroughly.

Middletown people want no better

proof of the reputation earned by Dona-

Kilney Pills than the following exper-

imental evidence.

Mr. Benjamin P. Conkey, of 47 Beattie

Avenue, says: "Four boxes of Dona's

Kilney Pills greatly benefited me.

Although I had often a pain in the

small of my back, urinary trouble was

my chief ailment. It gave me no end of

inconvenience and distress.

Thank of it, I was forced to get up dur-

ing the night a dozen of times and if I

caught cold over half hour during the

night I was compelled to seek the latrine.

They did, and I went for more. I am so improved that I only

have to get up once during the night.

I have not a trace of backache and I am

satisfied that the organs are so strengthened

that a radical change has taken place."
